

OFFICE LOCATIONS & PHONE NUMBERS

Alexandria, LA	318.445.6810	Jackson, MS	601.922.1364
Baton Rouge, LA	225.293.2188	New Orleans, LA	504.243.5500
Covington, LA	985.893.3631	Olive Branch, MS	662.890.4768
Houma, LA	985.868.4293	Shreveport, LA	318.603.3669

PRODUCT CATEGORIES

Compressor & Vacuum Systems	Page 1
Controls	page 1-2
Dryers & Filters	Page 2
Other Products	Page 2
Pumps	Page 2-3
Valves & Actuators	Page 3
Water & Wastewater Treatment Equipment	Page 3 - 4

COMPRESSOR & VACUUM SYSTEMS

A-C COMPRESSOR (ALLIS CHALMERS)	Rotary Vane For Vacuum Or Pressure
CAMERON COMPRESSION (COOPER TURBO, JOY)	Oil-Free Multi-Stage Centrifugal Air Compressors; Prepackaged, Custom, API; Electric Or Turbine Drive
GARDNER-DENVER (JOY)	Oil Flooded / Oil Free Rotary Screw, Air Cooled Reciprocating & Oil Lubricated / Oil Free Reciprocating Air Compressors
JOY	Genuine OEM Replacement Parts For Joy Reciprocating, Rotary Screw & Centrifugal Air Compressors
ROOTS-DRESSER BLOWERS	Rotary Lobe Positive Displacement Blowers; High Volume, Low Pressure For Vacuum Or Pressure
SPENCER TURBINE	Centrifugal Blowers For Wastewater Aeration; Horizontal Multi- Stage, Oil Free
All Of The Above	Packaged Compressor Systems; Pressure, Vacuum & Vapor Recovery Systems

CONTROLS

DANFOSS	Variable Frequency Drives & Controllers; Soft Start Starters
SIEMENS	Custom Controls For Pump Stations & Process Control Systems, Motor Control Centers, SCADA

EG CONTROLS

Automatic Pump Station Controls And Custom Control Systems
For Unique Applications

PRECISION SYSTEMS INC.

Packaged Emergency Power & Control Systems For Water &
Wastewater Pumping & Treatment Facilities

DRYERS & FILTERS

BEKO TECHNOLOGIES

Air System Condensate Drains, Filters, Instrumentation,
And Dryers

CAMERON COMPRESSION

Air Dryers & Filters; Desiccant & Refrigerated Types

GARDNER DENVER

Air Dryers & Filters; Desiccant & Refrigerated Types

GREAT LAKES AIR

Air Dryers & Filters; Desiccant & Refrigerated Types

OTHER PRODUCTS

GEA POLACEL

Cross Flow Cooling Towers; All Corrosion Resistant Materials
Of Construction; Packaged & Field Erected

GENERAL RUBBER

Rubber Expansion Joints For Pressure & Vacuum Piping
Applications

S.P. KINNEY ENGINEERS

Automatic Backwashing Strainers, Rotating Drum Type

PUMPS

A-C CUSTOM PUMP, ITT W&WW

Custom Engineered Pumps For Large Flows; Vertical &
Horizontal; Raw Water, Drainage, Potable Water

A-C FIREPUMP, ITT RCW

UL Listed / FM Approved Fire Water; Electric & Diesel Drive;
Horizontal & Vertical; Packaged Systems and
Buildings

CORNELL PUMP

Centrifugal; Close Coupled, Frame Mount, SAE Engine Flange
Mount; Horizontal & Vertical Configuration; Clear
Liquids & Solids Handling

FLOWTRONEX, ITT RCW

Factory Packaged Pumping Systems With Complete Wiring,
Piping & Controls; Custom & Standard Packages

FLYGT, ITT W&WW

Submersible Pumps For Water, Solids, and Slurry; Abrasion &
Corrosion Resistant; Solids Handling & Chopper Type;
Wet Pit and Dry Pit Mounted; Permanent Installation &
Portable / Contractor Dewatering Pumps ; Centrifugal
& Mixed Flow Types
Dry Pit Mounted Horizontal & Vertical Pumps For Solids
Handling; Formerly Known As A-C Pump Or Allis
Chalmers Pump
Submersible Direct Drive Mixers For Mounting On Guide Rail,
Fixed, Or Tank Wall

PEERLESS PUMP

Centrifugal; Horizontal Split Case, End Suction, Multi-Stage
Horizontal, Vertical Turbine, Vertical Sump, UL / FM

Fire Water Package & Building, ANSI

RESIDENTIAL & COMMERCIAL WATER, ITT (RCW)	Submersible Wastewater Pumps, Sumps & Controls; Marlow Self Priming Pumps
SRS CRISAFULLI	Slurry Pumps And Dredges
ALL OF THE ABOVE	Custom Engineered & Packaged Pumping Systems & Building Enclosures
ACCESSORIES	Valves, Electrical Controls, & VFDs For All Applications

VALVES AND ACUTATORS

AMERICAN R/D	Gate Valves; Rotating Disc, Solid Wedge, Resilient Wedge Types; Accessories & Actuators
CLA-VAL	Self Contained Hydraulic Operated Control Valves For Pressure Reducing, Relief, Pump Discharge, Water Hammer, Level & Altitude Control, And Combination Of Functions In One Valve; UL Listed & FM Approved Fire Water Control Valves & Deluge System Valves Air Release, Air & Vacuum, Combination Air Release-Air Vacuum Valves, Rubber Flapper Check Valve
EIM CONTROLS	Valve Actuators; Quarter Turn & Multi-Turn; Electric, Hydraulic & Pneumatic Driven; Communication Interface
HENRY PRATT	AWWA Butterfly, Ball, & Plug Valves; Above Grade & Buried Service; Lever, Gear, Electric, Hydraulic, Pneumatic Actuators UL Listed & FM Approved Post Indicating & Indicating Butterfly Type Fire Valves Check Valves; Tilting Disc, Rubber Flapper, Swing, Double Door, & Silent Types Cone Valves & Energy Dissipating Valves
MILLIKEN-CCNE	Swing Check Valves; Lever & Weight, Spring Type, Pneumatic & Hydraulic Dampened

WATER AND WASTEWATER TREATMENT EQUIPMENT

AEROMIX SYSTEMS	Mechanical Aeration Equipment; Horizontal Mixing Aspirator, Submersible Aspirator, High & Low Speed Mechanical, & Horizontal Brush Types Packaged Sewage Treatment Plants, Air Strippers
ASA CHEMSCAN	Water & Wastewater Quality Monitoring And Process Controllers
BIOWAY	Biological Odor Control Equipment For H ₂ S, NH ₄ , Methyl Mercaptans, Dimethyl Sulfide, & VOCs
BRENTWOOD (POLYCHEM CORP.)	Non-Metallic Chain, Flight & Drive Equipment For Skimmers & Bottom Rakes

FBC TECHNOLOGIES	Floating Diffused Aeration Equipment For Oxygen Transfer & Ammonia Reduction
FRANKLIN MILLER	Wastewater Grinders / Disintegrators; In Channel Or Pipeline Mounted In Channel Fine Screens
INSITE	Dissolved Oxygen and Suspended Solids Metering Equipment, Infrared Technology, Portable or Stationary Mounted
PHOENIX PROCESS EQUIPMENT	Belt Filter Press & Gravity Belt Thickeners For Sludge Dewatering; Packaged Systems With Controls, Piping & Chemical Feed
ROBERTS FILTER	Water Purification Equipment & Systems; Packaged Water Treatment Plants, Pressure Filters, Gravity Filters, Filter Underdrains
SANITAIRE, ITT	Diffused Aeration Systems; Coarse Bubble Stainless Steel, Fine Bubble Ceramic Disc, Fine Bubble Membrane Disc, Engineered Aeration Systems
UNIFILT CORPORATION	Filter Media; Gravel, Sand, Anthracite
ULTRAFLOTE	Tank Covers; Clear Span, Corrosion Resistant
VULCAN INDUSTRIES	Screening Equipment; Bar Screens, Stair Screens, In Channel Fine Screens, Spiral Screens, Static Side Hill, & Internally Fed Rotary Grit Separator, Grit Washer, Screenings Press

Note; Some products are not available in all locations.
