

OFFICE LOCATIONS & PHONE NUMBERS

Alexandria, LA	318.445-6810	Jackson, MS	601.922.1364
New Orleans, LA	504.243.5500	Olive Branch, MS	662.890.4768
Covington, LA	985.893.3631	Houma, LA	985.868.4293
Shreveport, LA	225.603.3669		

WATER AND WASTEWATER TREATMENT EQUIPMENT

BCR TECHNOLOGIES	Advanced Sludge Digesters, Sludge Dryers
BIOAIR SOLUTIONS	Biological Odor Control Equipment For Hydrogen Sulfide & VOC Removal
ENTEX (FBC TECHNOLOGIES)	Floating Diffused Aeration Equipment For Oxygen Transfer & Ammonia Reduction in Lagoons, MBBR
FKC SCREW PRESS	Screw Press For Sludge Thickening And Dewatering
FLUENCE (RWL WATER, AEROMIX)	Mechanical Aeration Equipment - Horizontal Mixing Aspirator, Submersible Aspirator, High & Low Speed Mechanical, & Horizontal Brush Types, Packaged Sewage Treatment Plants, Air Strippers, Packaged Water Plants & Reverse Osmosis Systems
GENERAL FILTER/MICROFLOC	Pressure Filters, Aerators, Packaged Treatment Systems, Clarifiers, Iron/Manganese Removal Systems, Thickeners, Biological Treatment Systems, Gravity Filters, Sludge Removal Systems
INSITE INSTRUMENT GROUP	Dissolved Oxygen, ORP and Suspended Solids Instrumentation Equipment Using Fluorescence Technology - Portable or Stationary Mounted
KEYSTONE CONVEYOR	Belt And Screw Conveyor Systems - Elevators, Shuttles, Bins, Diverters, Silos, Blenders, Gates, Dust Collection
KUBOTA MEMBRANES	MBR, Submerged Membrane Bioreactors And Thickeners
MFG WATER TREATMENT PRODUCTS	FRP Products for Clarifiers - Density Current Baffles, Launder Covers, Troughs, Weirs, Baffles
PHOENIX PROCESS EQUIPMENT	Sludge Dewatering Equipment - Belt Filter Press & Gravity Belt Thickeners; Packaged Systems With Controls, Piping & Chemical Feed
RDP TECHNOLOGIES	Bio-Solids Stabilization Systems - Storage And Conveying Systems, Chemical Feed Systems, In-Vessel Pasteurization for Class A Bio-Solids
SANITAIRE – XYLEM (ABJ)	High Efficiency Disc Diffusers, Membrane Diffusers, ICEAS Advanced SBR Systems, BioLoop Oxidation Ditches, and OSCAR Process Controls for Wastewater Treatment
THERMAFAB, INC.	Baffles & Liners; Floating Lagoon Baffles, Clearwell Curtains, Lagoon Liners Design, Fabrication, Installation Services
UNIFILT CORPORATION	Filter Media; Gravel, Sand, Anthracite
ULTRAFLOTE	Tank Covers; Clear Span, Corrosion Resistant
VULCAN INDUSTRIES	Headworks Equipment - Bar Screens, Stair Screens, In-Channel Fine Screens, Spiral Screens, Static Screens, & Internally Fed Rotary Screens, Screenings Conveyors, Washers and Presses; Grit Separator, Grit Classifier, Grit Washer
WEDECO - XYLEM	UV Ultraviolet Light Disinfection And Ozone Generators
WESTECH ENGINEERING	Headworks Equipment - Screens; Internally Fed Rotary, Stair Screen, Perforated Traveling Water Screen, Spiral Fine Screen – All Types of Clarifiers; Primary, Secondary, Scraper, Suction Header, Suction Pipe, COP, Flocculating, Solids Contact Sludge Thickeners, Dissolved Air Flotation, Anaerobic Digester Equipment; Tank overs, Mixers, Gas Storage, Heaters Biological Treatment; Trickling Filter Rotary Distributors, Oxidation Ditch Aeration/Mixing Equipment, Packaged Plants For Low Effluent Limits; General Filter Products for Water Treatment – MicroFloc Packaged Treatment Systems; Filtration; Continuous Backwash Filters, Pressure Filters, Membrane Filters, Vacuum Filter

PUMPS

A-C CUSTOM PUMP - XYLEM	Custom Engineered Pumps For Large Flow Rates; Vertical & Horizontal; Raw Water, Drainage, Potable Water
FLYGT - XYLEM	Premium Submersible Pumps For Water & Wastewater and Abrasive Slurries; Solids Handling & Chopper Type; Wet Pit and Dry Pit Mounted; Axial & Mixed Flow Propeller Pumps; Permanent Installation & Portable/Contractor Dewatering Pumps; Mixed Flow Type Dry Pit Mounted Horizontal & Vertical Pumps For Solids Handling - Formerly Known As A-C Pump Or Allis Chalmers Pump; Submersible Direct Drive Mixers For Mounting On Guide Rail, Fixed, Or Tank Wall
LOBEPRO	Rotary Lobe, Positive Displacement Pumps
SRS CRISAFULLI	Slurry Pumps And Dredges
SULZER VERTICAL TURBINE PUMPS	Vertical Turbine Pumps - Centrifugal, Axial, & Mixed Flow
ALL OF THE ABOVE	Custom Engineered & Packaged Pumping Systems & Building Enclosures
ACCESSORIES	Access Covers, Hoists, Valves, All Types of Controls, Soft Starts, VFD's

CONTROLS AND INSTRUMENTATION

DANFOSS	Variable Frequency Drives & Controllers; Soft Starts
MULTITRODE - XYLEM	Pump Station Controls And Monitoring, SCADA Integration, SmartRun Intelligent VFD
PRIMEX CONTROL SYSTEMS	Custom Controls For Pump Stations & Process Control Systems, Motor Control Centers, SCADA Integration
SIEMENS INDUSTRIES	Low and Medium Voltage ROBICON Variable Frequency Drives
PRECISION SYSTEMS INC.	Packaged Emergency Power & Control Systems For Water & Wastewater Pumping & Treatment Facilities
XYLEM ANALYTICS	YSI Brand Products – Process Instrumentation, MJK Products – Level and Flow Measurement, OI Analytics – TOC Analyzers

VALVES AND ACUTATORS

CLA-VAL	Self-Contained Hydraulic Operated Control Valves For Pressure Reducing, Relief, Pump Discharge, Water Hammer, Level & Altitude Control, And Combination Of Functions In One Valve; UL Listed & FM Approved Fire Water Control Valves & Deluge System Valves; Air Release, Air & Vacuum, Combination Air Release-Air Vacuum Valves; Rubber Flapper Check Valves
FLOWERVE LIMITORQUE	Valve Actuators; Quarter Turn & Multi-Turn; Electric, Hydraulic & Pneumatic Driven; Communication Interface
HENRY PRATT COMPANY	AWWA Butterfly, Ball, & Plug Valves; Above Grade & Buried Service; Lever, Gear, Electric, Hydraulic, Pneumatic Actuators; Check Valves Tilting Disc, Rubber Flapper, Swing, Double Door, & Silent Types, Cone Valves & Energy Dissipating Valves Swing Check Valves; Lever & Weight, Spring Type, Pneumatic & Hydraulic Dampened; Specialty Valves
LINED VALVE	Cast and Fabricated Knife Gate Valves – 2 through 96 Inch; Bonneted and Open Styles; Ductile and Stainless Steel; Resilient Seat; Resilient Seat Gate Valves
RW GATES	Stainless Steel and Aluminum Sluice Gates, Weir Gates, Stop Logs, Bulkhead Gates, Flap Gates, Tilting Weirs, Telescoping Valves, Mud Valves, and Butterfly

COMPRESSOR & VACUUM SYSTEMS

GARDNER DENVER	Packaged Air Compressors
ROOTS, HOWDEN	Rotary Lobe Positive Displacement Blowers; High Volume, Low Pressure, For Vacuum Or Pressure; Centrifugal High Efficiency, High Pressure, Low Noise Packaged Systems; Turbo Blowers and Packaged Turbo Blower Systems
TURBLEX (Siemens)	Centrifugal Blowers For Wastewater Aeration; Integral Gear, Oil Free
All Of The Above	Packaged Compressor Systems; Pressure, Vacuum & Vapor Recovery Systems

Note: All of the listed products above are not available in all locations.
